

Brawley Union High School District

November/December 2016

School News!

Brawley Union High School

Unlike years past, Fall Semester will be ending before Winter Break so it is extremely important that all students continue to do well in their classes by staying focused, attending regularly, and seeking assistance as needed. Counselors and teachers are readily available for students throughout the day and after school. BUHS is proud of their Wildcats as they have proven to be the strongest in academics, athletics, and, most importantly, in character. A never quit attitude is what makes our students WILDCATS!

Desert Valley High School

Once again DVHS is on line to be recognized as a Model Continuation High School by the CDE and California Continuation Education Association. As part of our College and Career Readiness Program, seniors will be completing their Digital Portfolios in December. Both DVHS and Renaissance will begin preparing for the 2017 Botball® Educational Robotics competition in December.

Golden Bell Award

Brawley Union High School District has been chosen as one of 56 recipients of the state's leading educational honor, CSBA's Golden Bell Award, recognizing the Bilingual Civics Program at BUHS.

The Bilingual Civics program was developed to meet very concrete needs, one being the need to bring relevance to the Government/Economics course. The course motto is "We make a commitment not to be spectators; we get involved by becoming informed civic-minded individuals to contribute to and improve our community." This goal provides the opportunity to become involved and aware of their place in their school, city, county, state, country and world. **Congratulations to Mr. Jose Flores & the BUHS Administration for this esteemed recognition!**

District News . . .

DELAC Meetings!
Our next DELAC meeting will be November 17, 2016 @ 6:00 pm in the BUHS Library

LCAP! Your input is welcome on all aspects of our state priorities. Please be on the lookout for upcoming LCAP informational meetings.

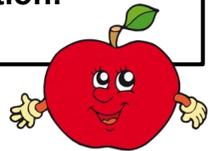

Something New for 2016-17

BUHSD will take Final Exams and finish 1st semester before Winter Break so that we start 2nd semester fresh when we return in January. Attendance throughout December will be extremely important for the academic achievement of students. Grades issued for first semester at the end of December will be on the transcript and count toward the overall GPA of students.

Hats Off!!

Congratulations to Ms. Aceves for being named Teacher of the Year by the Brawley Chamber of Commerce!
