Brawley Union High School District Stakeholders,

The Brawley Union High School District has been carefully monitoring the Coronavirus (COVID-19) situation and painstakingly announces that in conjunction with all Imperial County schools, we will be extending the dismissal of students from district school facilities for the remainder of the school year. This decision has been made as a result of the release of the Imperial County Health Officer’s “Amended Stay at Home Order”, which remains in effect until further notice.

It is very important to note that this extended dismissal does not mean that the school year is over. The Brawley Union High School District is committed to providing vital services and resources to our students and community, including, but not limited to educational distance learning opportunities and meal programs. Our goal as a district is to afford our students the opportunity to salvage course credits, personally move forward, and to celebrate accomplishments.

The safety and wellbeing of students, families, and school personnel continues to be the highest priorities of Brawley Union High School District. We encourage all stakeholders to follow the stay at home guidelines issued by the Governor of California and the Imperial County Health Officer. While we recognize the decision to dismiss students continues to pose significant challenges and hardship for many families in our district, an effective way to slow and disrupt the transmission of this pandemic is by implementing social distancing practices and preventing large groups from gathering. Hopefully our public health circumstances improve in the near future and we can reassess our current dismissal decision.
