July 21, 2020

To: Parents/Guardians, Students, Community Members

RE: School Reopening Update

We hope you and your families are safe and healthy. We have missed seeing our students during this time of physical distancing. Our current situation has been difficult for many of us and the District appreciates your patience and understanding during this time. On Friday, July 17, 2020, Governor Gavin Newsom provided guidance to counties and school districts regarding the safe reopening of schools and districts. Governor Newsom created a COVID-19 Monitoring Watchlist and has ordered all counties on this list to return to school in a Distance Learning Model only. The Imperial County is on this list and therefore the Brawley Union High School District will begin instruction via Distance Learning only. BUHSD will remain in this model until Imperial County has been removed from the Monitoring Watchlist for a period of 14 consecutive days. At that time, schools will be permitted to provide in-person instruction subject to comprehensive guidance and health and safety requirements. BUHSD is committed to working in conjunction with the Imperial County Public Health Department and the Imperial County Office of Education to ensure stakeholder safety, develop appropriate learning models for students, and provide relevant training for staff.

Additionally, on Monday, July 20, 2020, the California Interscholastic Federation (CIF) State Office announced that it will condense the traditional fall, winter, and spring sports seasons into two seasons, fall and spring. It is anticipated that fall sports start dates will commence December 2020. As more information becomes available, we will inform our students, staff, parents and community members.

The district is committed to ensuring we are prepared to provide high quality educational experiences for its students, while complying with state and county orders. We thank you for your support and cooperation as we head into the 2020-21 school year.

Sincerely,
