

Brawley Union High School Parents & Students:

Registration information, and other school related items, for the 2021-2022 school year is provided below. Please take time to review the information and make note of scheduled calendar dates.

REGISTRATION

Fall registration will be completed in a hybrid format this year. Students and parents will register primary information online and required district documents will need to be reviewed, completed and returned for verification in a traditional setup. To complete the process, students/parents will need online access, a specific BUHSD login, Aeries Parent Portal access, and a device to complete the process with (computer, Chromebook, tablet). Currently enrolled students should have a district provided Chromebook. New and returning students without a district Chromebook, can complete the Chromebook request form posted on the webpage and pick them up on the distribution days listed below.

Tentative dates related to registration and the 2021-2022 school year:

Week of 7/20: Technology Agreements, Google Apps forms and Aeries Portal logins will be mailed to all new students. Forms should be reviewed, signed and prepped for return
