### Principal's Message

The mission of Brawley Union High School (BUHS) is to challenge and empower all students to graduate as self-directed, productive citizens who are effective communicators, critical thinkers, risk takers and lifelong learners. The BUHS staff is committed to providing guidance and support for all students through rigorous standards-based curricula and appropriate character building blocks preparing for college and career pathways.

As a graduate of BUHS, I am proud to be part of a staff that is committed to the success and achievement of all students by pledging to provide a clean, safe and supportive environment where students are permitted to learn and gain lifelong experiences. BUHS continues to develop and enhance facilities throughout the years, improving the environment for student learning and experiences. Furthermore, BUHS is committed to providing more curricular and extracurricular opportunities for students by adding new Advanced Placement (AP) courses, career technical education courses and increasing the number of student clubs.

We look forward to continuing all of our great work together. With the combined work of students, parents, the community and our staff, we can achieve success for all students at BUHS.

We believe that all students can learn and be successful!

### School Mission Statement

The mission of Brawley Union High School is to challenge and empower all students to graduate as self-directed, productive citizens who are effective communicators, critical thinkers, risk takers and lifelong learners.

### School Safety

A revised Comprehensive School Safety Plan was adopted and implemented during the 2010-11 school year. The Safety Committee reviews the plan annually. The School Safety Plan was last updated in March 2016 and will be reviewed again in March 2017. The plan includes emergency routes, maps and emergency procedures such as fire, earthquake, attacks, lockdown, egress and ingress procedures, and other important procedures to keep the students and staff safe and secure. The School Safety Plan is available to the community and is located in the Counseling Center, Administration Office and Discipline Office. The Safety Committee meets monthly to monitor implementation of the plan.

### Parental Involvement

Brawley Union High School is committed to promoting parent, community and business partnerships that are conducive to the following:

- Involving parents in their child's education
- Fostering shared responsibility among students, parents and staff
- Linking families with school and community resources
- Encouraging broad-based representation in the decision-making process

Parent involvement is key in promoting student achievement at Brawley Union High School. Parents are regularly informed of student progress and attendance through updates from school counselors and attendance personnel. All parents are invited to participate in their student's curricular plan. The counseling department maintains an open-door policy for parents to seek information and assistance regarding their students.

Parents who wish to participate in Brawley Union High School's leadership teams, school committees, school activities or become volunteers may contact Principal Jesse Sanchez at (760) 312-6089 or jsanchez@brawleyhigh.org.

### Professional Development

The major areas of focus for staff development include curriculum and instruction, school discipline and safety, technology, student assessment and data analysis, student support services, and school-site accountability.

The methods used to deliver professional development involve staff-development days, department and collaboration meetings, and grade-level and course-subject area meetings. Teachers are supported during the implementation through staff meetings, teacher-administrator meetings, student-performance data analysis and reporting. The district also participates in professional development opportunities provided through Pivot Learning Partners.

### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

### District Mission Statement

Our mission is to provide a student-centered, safe and secure learning environment for all focused on academic achievement through high-quality instruction.

### District Vision Statement

The district's vision is to prepare students to become productive global citizens.

## Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2015-16 school year.

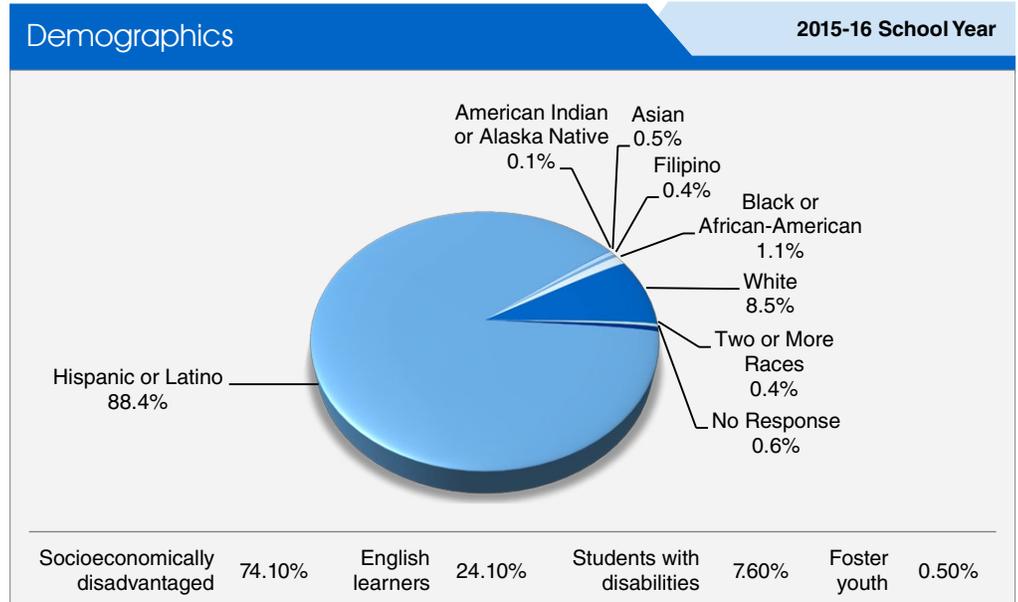

## Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates			
Brawley HS

Suspension rates	4.4%	3.8%	3.7%
Expulsion rates	0.1%	0.1%	0.1%

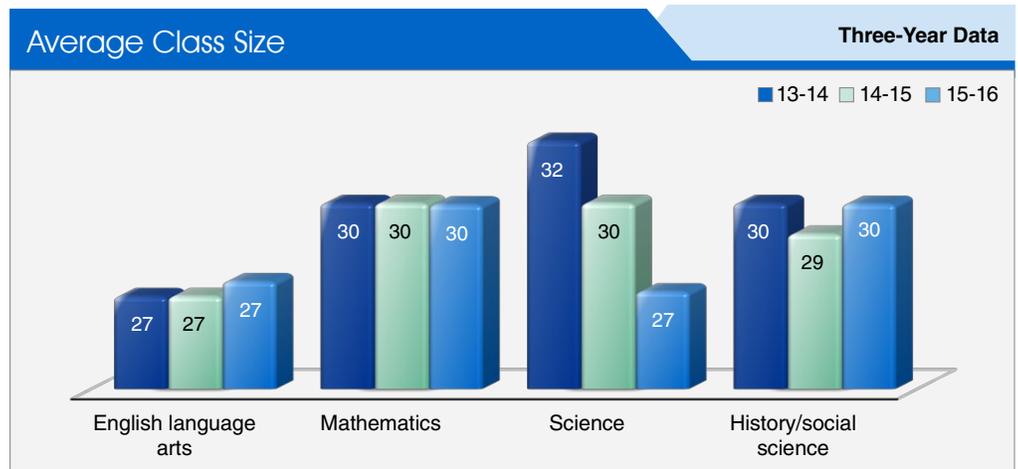

## Enrollment by Student Group

The total enrollment at the school was 1,690 students for the 2015-16 school year. The pie chart displays the percentage of students enrolled in each group.

## Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Number of Classrooms by Size** Three-Year Data

### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

California Physical Fitness Test		2015-16 School Year
Percentage of Students Meeting Fitness Standards	Brawley HS	
	Grade 9

Five of six standards	18.5%	
Six of six standards	33.1%	

### Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

### Federal Intervention Program

Schools and districts will not be newly identified for Program Improvement (PI) in the 2016-17 school year under the Every Student Succeeds Act (ESSA) that became law in December 2015, which reauthorized the Elementary and Secondary Education Act (ESEA). Schools and districts receiving Title I, Part A funding for the 2015-16 school year and were "In PI" in 2015-16 will retain their same PI status and placement year for 2016-17. Schools and districts receiving Title I, Part A funding for the 2015-16 school year and either had a status of "Not in PI" for the 2015-16 school year or did not receive Title I, Part A funding in the 2014-15 school year will have a status of "Not in PI" for the 2016-17 school year. The percentage of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

This table displays the 2016-17 Program Improvement status for the school and district. For detailed information about PI identification, please visit [www.cde.ca.gov/ta/ac/ay/tidetermine.asp](http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp).

### Types of Services Funded

In addition to general state funding, Brawley Union High School District receives state and federal funding for the following categorical, special education and support programs:

- Title I, Part A
- Title I, American Recovery and Reinvestment Act of 2009 (ARRA)
- Title II
- Title III
- Special Education
- Carl D. Perkins Vocational and Technical Education Act funds
- Instructional Materials
- Home-to-School Transport
- Migrant Education
- Regional Occupational Program (ROP)

*"We believe that all students can learn and be successful!"*

## California Assessment of Student Performance and Progress (CAASPP)

For the 2015-16 school year, the CAASPP consists of several key components, including:

**California Alternate Assessment (CAA)** test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with significant cognitive disabilities which prevent them from taking the Smarter Balanced Assessments with universal tools, designated supports or accommodations.

**Smarter Balanced Assessments** include ELA/literacy in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit [www.cde.ca.gov/ta/tg/ca](http://www.cde.ca.gov/ta/tg/ca).

## CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in English language arts and mathematics for the school by student groups for grade 11.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA) in grades 5, 8 and 10. The tables show the percentage of students scoring at proficient or advanced.

Percentage of Students Scoring at Proficient or Advanced							Three-Year Data

## CAASPP Test Results by Student Group: Science (grades 5, 8 and 10)

Science test results include CSTs, CMA, and CAPA in grades 5, 8, and 10. The “Proficient or Advanced” is calculated by taking the total number of students who scored proficient or Advanced on the science assessment divided by the total number of students with valid scores.

## Course Enrollment for UC/CSU Admission

The table displays two measures related to the school's courses that are required for University of California and California State University admission for the most recent year for which data is available. For more detailed information, visit <http://dq.cde.ca.gov/dataquest>.

UC/CSU Admission	
Brawley HS	
2014-15 and 2015-16 School Years	
Percentage of students enrolled in courses required for UC/CSU admission in 2015-16	97.4%
Percentage of graduates who completed all courses required for UC/CSU admission in 2014-15	32.41%

## Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

Career Technical Education Data	
Brawley HS	
2015-16 Participation	
Number of pupils participating in a CTE program	484
Percentage of pupils who completed a CTE program and earned a high school diploma	95%
Percentage of CTE courses that are sequenced or articulated between a school and institutions of postsecondary education	75%

## Admission Requirements for California's Public Universities

University of California: Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for university-level work. For general admissions requirements, please visit the UC Admissions Information web page at <http://admission.universityofcalifornia.edu>.

California State University: Eligibility for admission to California State University (CSU) is determined by three factors: 1. specific high school courses, 2. grades in specified courses and test scores, and 3. graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission-guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application and fee information, see the CSU web page at [www.calstate.edu/admission/admission.shtml](http://www.calstate.edu/admission/admission.shtml).

## Career Technical Education Programs

Career path preparation begins in elementary school, where students are introduced to careers through guest speakers, field trips, job shadowing, work-based activities and career days which focus on the five Brawley Union High School career pathways.

Ninth graders are provided the opportunity to enroll in Introduction to Computers, where they learn career research with the internet through Career Choices and produce their first résumé as well as a 10 year plan. Through 10th grade advisement, students select their initial career pathway and complete a second career-interest inventory. Students may select from a total of 21 career pathway classes (including ROP programs) in the industry sector such as: Agriculture and Natural Resources, Arts and Communications, Information Technology, Health Science and Medical Technology, Education Child Development and Family Services, Marketing and Sales, Building Trades and Construction, and Manufacturing and Product Development.

Capstone career path courses focus on internships which are offered through the Brawley Union High School internship program, Imperial Valley Regional Occupational Program (IVROP) internship, Brawley Union High School work experience, Special Education WorkAbility, Imperial County Workforce Investment Act training, and Migrant Education work experience.

BUHSD offers several CTE courses to its student population. The following courses are offered at Brawley Union High School:

- Animal Science
- Plant Science
- Medical Terminology
- Graphic Arts
- Marketing
- Introduction to Welding
- Introduction to Agriculture
- Environmental Agriculture
- Advanced Computerized Applications
- Electrical Applications
- Introduction to Law Enforcement
- Culinary Arts

In conjunction with CTE courses, BUHSD offers nine ROP programs that are offered through the district and comprise a significant component of the CTE program. The ROP programs focus on the internship aspect of career preparation and are open to students who are 16 years and older and also to adults. BUHSD offers the following ROP programs:

- ROP Graphic Arts
- ROP Stage and Theatre
- ROP Nursing
- ROP Landscape
- ROP Office Occupations
- ROP General Contracting
- ROP Construction
- ROP Welding
- ROP Careers with Children
- ROP Retail Trades
- ROP Corrections

BUHSD's CTE Advisory Committee consists of shareholders including BUHSD's superintendent, principal, deputy principal, director of special education, career specialist, CTE teachers, counselors, students, parents, Imperial Valley Regional Occupational Program superintendent and staff, community business partners, Workforce Investment Board (WIB), WIB director, and the Imperial Valley Regional Occupational Advisory Committee.

The primary representative of the district's Career Technical Education Advisory Committee is Antonio Munguia, and he can be reached at (760) 312-5110.

## Completion of High School Graduation Requirements

This table displays school, district and California data for the percentages of students in the most recent graduating class who met all state and local graduation requirements for grade 12 completion. The formula for the completion of graduation requirements is the number of grade 12 students who met all graduation requirements divided by the number of students enrolled in grade 12 at the time of the Fall Census Day. Therefore, results may include percentages over 100 percent if students transferred into the school and graduated but were not there at the time of the Fall Census Day enrollment count. For more information, please visit [www.cde.ca.gov/ci/gs/hs/hsgmin.asp](http://www.cde.ca.gov/ci/gs/hs/hsgmin.asp) or [www.cde.ca.gov/ci/gs/hs/cefhsggradreq.asp](http://www.cde.ca.gov/ci/gs/hs/cefhsggradreq.asp).

## Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out. For more information, please visit <http://dq.cde.ca.gov/dataquest>.

Graduation and Dropout Rates	Three-Year Data					
	Graduation Rate			Dropout Rate

## Textbooks and Instructional Materials

Brawley Union High School District held a Public Hearing in October 2016, and determined the district has sufficient and good-quality textbooks, instructional materials and science lab equipment pursuant to the settlement of Williams v. State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Brawley Union High School District sets a high priority upon ensuring sufficient and current textbooks and materials are available to support the school's instructional program. All textbooks and instructional materials used within the district are aligned with the California State Board of Education Content Standards and Frameworks and have been approved by the district's board of trustees.

Brawley Union High School District follows the Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. In addition to textbooks, students have access to experimental kits, manipulatives, workbooks, audio libraries, films and videotapes.

## Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

### School Facilities

Brawley Union High School provides a safe, clean environment for students, staff and volunteers, which promotes productivity and stimulates learning. Brawley Union High School was built in 1913. Its facilities are located on 17 acres and include classrooms, a cafeteria/multipurpose room, two gymnasiums, a fitness center, library, performing arts center, music room, and the family resource center, which are all up-to-date and provide adequate space for students and staff.

**Safety:** All visitors are required to report to the office for permission to be on campus. Students are to remain on campus during school hours. Brawley Union High School employs eight campus supervisors who assist administrators and staff with campus supervision before, during and after school, and for other school activities.

**Recent renovations:** During the 2015-16 school year, BUHS underwent several renovations. A college and career readiness center was created, complete with computers and Wi-Fi. Solar panels were installed in the parking lot, PE field and center of campus. The school has transitioned to almost 100 percent green-energy usage. A science lab was built to create an additional location for science classrooms to perform hands-on experiments. The Palmer auditorium was renovated to include the installation of a new multimedia sound system. During the 2016-17 school year, the gymnasium floor was replaced and new state-of-the-art phones and intercom system were installed. Beautification of school landscaping is currently underway.

**Cleaning process:** A team of custodians and groundskeepers ensure classrooms, restrooms and campus grounds are cleaned on a daily basis. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure all classrooms and facilities are well maintained and in good repair. When necessary, the district takes appropriate actions to ensure campus facilities are in good working order and provide a clean and safe environment. At the time of this report, 100 percent of the student restrooms were in good working order.

## Financial Data

The financial data displayed in this SARC is from the 2014-15 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://data1.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request each year, on or before February 1.

All data accurate as of January 2017.
