

BUHS Presents . . .

Math in Life

A summer program for incoming freshmen.

Who is Invited??

Incoming BUHS Freshmen - Class of 2022

What is it??

A 10-Day summer course for incoming freshmen to build their math skills to be ready for High School in the fall.

When is it??

Monday, June 18 - Tuesday, July 3

The program runs from 8:00am-12:00pm Monday through Thursday.
(No class on Fridays or on July 4th.)

What are the benefits??

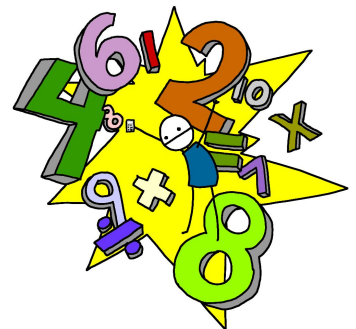

Students will not only build math skills, but also see how math relates to their lives on a daily basis.

Upon successful completion of this program, students will earn 5 elective credits toward high school graduation.

Lunch, snacks, and transportation from Westmorland will be provided.

Please complete the attached registration form to enroll. Space is limited, so hurry for your spot! Please turn in the registration form to the BUHS Counseling Center.

Deadline to register is May 24, 2018

For more information, please contact Mr. Smith or Mrs. Munguia at 760-312-6073.

Math In Life Registration

Please complete this form to register for Math In Life, a summer program for incoming freshmen. By filling out this form, parents and students recognize the importance of attendance and commit to attending each day. Students who successfully complete the program will earn high school elective credits. The program will run from Monday, June 18-Tuesday, July 3.

Students will attend class Monday - Thursday from 8am-12pm (No class on July 4).

The deadline to register is Thursday, May 24th.

Student First & Last Name: _____ (please print)

Parent Phone Number: _____

Address: _____

Parent(s) Name: _____

Email Address: _____

8th Grade School: _____

Emergency Contacts (Include Name and Phone Number)
