Chromebook Check out for BUHSD students that need a device

Dear Students & Parents of the Brawley Union High School District,

We know there are many questions about what your student is responsible for doing during this time. Our teachers have been contacting or have already contacted students to make sure that students have access to the work in order to continue their academic progress. Students and parents can contact their teachers by email and counselors are available by email as well. We will continue to communicate with parents and students regarding school and updates as we have them.

If your child did not check out a Chromebook and needs a device to access school work, please see the schedule below for times your child can come to the school to check out a device. This is also for textbooks. Most textbooks are available online or are already checked out to students, however, if your child needs a textbook, please email the request to portal.support@brawleyhigh.org so that we can have the book ready in the library before you come to the school.

Check Out Times:

Friday, March 20: 8:30am - 11:30am

Monday, March 23: 8:30am - 11:30am

Tuesday, March 24: 8:30am - 11:30am

BUHS: BUHS Library - Please use the front gate on A street and check in with the proctor.

DVHS & Renaissance: DVHS Main Office

Our offices are open but lightly staffed from 8:00am - 12:00pm. Our front gates will be open to visitors until 11:45am. If possible, please email or call with questions before to see if we can help you remotely.

We are in the final stages of fixing our parent and student portals and will update you when they are ready to be accessed.

We hope that all is well in your household. Please ensure that your student is actively participating in their school work to keep them progressing in the academic standards. We are working diligently to stay prepared in this new phase of learning. Working together, we can and will accomplish great things. Please feel free to call and/or email staff with any of your questions.

Remember that food services are available to all students in our district. Children ages 0-18 can pick up a breakfast and lunch Monday through Friday from Oakley School, Phil Swing, or Hidalgo Schools from 10:30am-12:30pm in Brawley and also at Westmorland School in Westmorland from 9:30am-1:00pm.

Thank you!
