Honor Student Profile Sample

Kha lives in Oroville, California and is in twelfth grade at Oroville High. Kha wishes to attend the University of California, Berkeley. She was born in a refugee camp in Thailand. Being the third oldest in a family of nine, she learned that she must achieve her goals in order to fulfill her dreams. What she values most is supporting and being supported by her family and community in attaining a higher education.

Kha vive en Oroville, California y está en el grado doce en la preparatoria de Oroville. Desea ir a UC Berkeley. Kha nació en Tailandia, en un campamento de refugiados y es la tercera de una familia de nueve. Como tal, aprendió que debe lograr sus metas para poder hacer de sus sueños realidad. Lo que valora más es apoyar y ser apoyada por su familia y por su comunidad en su camino hacia una educación superior.

Honor Parent Profile

Guadalupe has been actively involved in the parent component of the Napa Unified School District for over three years, serving as president and vice president. She volunteers at the local elementary school and serves on the district site council and many other local committees. She believes that education can change the future of migrant families and students. She attends classes and workshops for her own advancement and serves as a role model to students.

Guadalupe ha estado participando activamente en el componente de los padres del Distrito Escolar Unificado de Napa por más de tres años, sirviendo como presidenta y vicepresidenta. Es voluntaria en la escuela primaria local y participa en el consejo de instalaciones del distrito y muchos otros comités locales. Considera que la educación puede cambiar el futuro de los estudiantes y las familias migrantes. Asiste a clases y talleres para su propio desarrollo y sirve de ejemplo para los estudiantes.

Honor Alumnus Profile

Olga was a migrant student. She became a teacher with the sole idea of serving migrant children and giving back to her community. Her biggest asset is knowing the experience of being a member of a migrant family. Walking into her classroom, one can see the care and desire she holds for each student to succeed in education. She is a role model for all migrant students to follow.

Olga fue estudiante migrante. Llegó a maestro con la idea exclusiva de poder atender a los niños migrantes y contribuir a su comunidad. Su mayor fuerte es entender la experiencia de ser una familia migrante. Al entrar a su sala de clases podemos ver su dedicación y su deseo para que cada estudiante tenga éxito en su educación. Es una modelo para todos los estudiantes migrantes.
