

## Introduction:

LEA: Brawley Union High School District

Contact: Simon Canalez

LCAP Year: 2016-17

*Local Control and Accountability Plan and Annual Update Template*

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.*

*For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.*

*State Priorities*

*The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.*

Board Approved:

*A. Conditions of Learning:*

*Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

*Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

*Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

*Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

*Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

*B. Pupil Outcomes:*

*Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)*

*Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

*C. Engagement:*

*Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)*

*Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)*

*School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)*

Section 1: Stakeholder Engagement

*Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.*

*Board Approved:*

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>Brawley Union High School District (BUHSD) is committed to the importance of involving its parents, students, staff, and community members in the development of the Local Control Accountability Plan (LCAP). As a result, the district in conjunction with all of its stakeholders was able to create a cohesive plan that included identifying the needs of improvement as well as establishing goals and strategies to assist in the improvement process.</p> <p>BUHSD’s LCAP process included several meetings with various stakeholder groups with the focus being on the eight state priorities. Among the groups involved in the meetings were parents representing English Learners, socio-economically disadvantaged, foster youth, parents of AP students, teachers (including union officers), support staff, classified staff (including union officers), administration, students (to include English Learners, Special Education, Socio-economically disadvantaged youth, student leaders (ASB) , and foster youth) as well as community members, and the regional ROP office. Committees that were consulted on the</p>	<p>Through the LCAP process, the district was able to gather suggestions and concerns from a wide variety of stakeholders that are not normally represented. It was eye opening to learn what the community members, parents, students and staff had to offer regarding the educational system. These stakeholders provided valuable suggestions in each of the state priorities.</p> <p>The stakeholders were able to assist in the correlation between existing plans and the LCAP’s 8 State Priorities and the need to continually build and improve upon student achievement and parent involvement.</p> <p>Gaining insight from various groups allowed the district to realize needs that may not have been previously considered. The areas of weakness that stakeholders identified were created into action steps to span over three years that can be accomplished through the opportunity for local control accountability within our district. The input gained from the stakeholders is the foundation in which the</p>

Board Approved:

<p>creation of the plan included: School Site Councils, English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), Migrant Program, Parent Connection, Title III Committee, Liaison, and students such as ASB cabinet, English learners, honors students, special education students and students from socio economically disadvantaged families. Information was made available through survey results, newsletters, website postings, weekly video updates, as well as presentations during the parent involvement meetings. Information included state assessment results, reclassification results, facilities inspection reports, parent survey results, and college and career readiness data.</p> <p>During these meetings, the eight state priorities were explained and stakeholders were able to discern what the district’s strengths and weaknesses are regarding each priority. Each group was able to discuss why they suggested the items they did. The data were combined and at subsequent meetings, stakeholders identified their top two most important areas for improvement for every state priority. As a group, stakeholder were able to explain why they chose certain areas of weakness as most important. Through these meetings and reviewing the stakeholder data gathered during these meetings, the district was able to find common threads amongst the various groups and was able to develop a list of needs. All of the information and data gathered is posted to the district’s website so that anyone who has a question or concern can address the superintendent in writing. The superintendent will answer all questions on the website to ensure a wide audience receives answers to any concerns. To date there have been no questions submitted for the superintendent’s written response. Student input was gathered through in class presentations and surveys. Students were able to discuss the six district goals and action steps and submit their suggesestions verbally and in in writing. They also participated in an online survey.</p> <p>From these meetings, the district was able to develop a rough draft that is representative of all stakeholders. Prior to finalizing the document for the school board, each committee will be able to review the draft for final approval.</p>	<p>LCAP is created. The major areas of focus based on stakeholder input were: expanding ROP/CTE opportunities, create additional science labs, develop a literacy lab as well as maintain BUHS’ college and career readiness lab and create a college and career readiness lab for DVHS.</p> <p>Stakeholders, specifically students also suggested the expansion of AP course offerings. For the following school year, the district plans to offer AP Statistics as a new course offering as well and Exploring Computer Science as a prerequisite to AP Computer Science which will be offered the following school year. These class selections were based on a student interest inventory.</p>
<p>Annual Update: During the annual update for LCAP, BUHSD involved various parent groups, held staff meetings and presented at numerous committees during their regularly scheduled meetings. Groups that were involved in the updating process include: ELAC, DELAC, School Site Councils, Migrant, teacher’s union, whole staff, classified union, Think Tank, Leadership Committee, Parent Connection, Student ASB Cabinet, English learners, special population students and socio economically disadvantaged students. Every school and district event includes LCAP review and input sessions.</p>	<p>Annual Update: One main item of concern from the parent groups was communication. They felt as though they aren’t always apprised of updates or events. The district has invested in Parentlink, a mass phone dialing system, provides weekly video updates and has provided email addresses to all students.</p> <p>In the LCAP we will incorporate training for parents to be able to navigate the district’s website, and grading portal. The district is also going to upgrade its phone system to a more user friendly one that is slightly more expensive.</p>

<p>During these meetings the district’s LCAP goals were reviewed. The facilitator discussed what actions had been taken, what had been planned, and what is yet to be completed. Groups provided input regarding their knowledge of what had been completed and their suggestions on actions that need to be taken for this and the next school year. During these meetings the facilitator asked them to classify what actions were most important and explain their reasoning. They were reminded that they may write the superintendent directly with any questions they needed answered and he would respond in writing.</p>	<p>Parents of English learners discussed the need to continue funding for real world experiences such as field trips, university tours, and local public service agency tours. Parents of English learners also decided there is a need to set aside funds for parent involvement incentives. These parents felt if the district provides incentives for attendance, more parents would become involved. The district has recognized this need and is willing to set aside funds to continue to provide these real world experience for English learners as well as provide parent involvement incentives.</p> <p>Parents of English learners asked we maintain textbooks and address the importance of written text and not solely focus on technology.</p> <p>English learner students suggested increased access to technology to provide them hands on experiences. The district is committed to developing and maintaining a language lab for English learners as well as purchasing mobile carts for EL classes. The district will continue to allow English learners to attend field trips and real world experiences relevant to the curriculum. Socio-economically disadvantaged students expressed a need for increased access to technology.</p> <p>Parents and students suggested keeping goals to a minimum, attainable number with a maximum of 6 goals.</p>
--	--

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

*Board Approved:*

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate "all" for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

*Board Approved:*

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to "ALL."

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

<b>GOAL 1:</b>	Develop a comprehensive core and support program to assist in increasing student achievement by 10% each year for the next three years.	Related State and/or Local Priorities: 1_ <input checked="" type="checkbox"/> 2_ <input checked="" type="checkbox"/> 3_ <input type="checkbox"/> 4_ <input checked="" type="checkbox"/> 5_ <input type="checkbox"/> 6_ <input type="checkbox"/> 7_ <input type="checkbox"/> 8_ <input checked="" type="checkbox"/> COE only: 9_ <input type="checkbox"/> 10_ <input type="checkbox"/> Local : Specify _____

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?

Board Approved:

- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		BUHSD has conducted a needs assessment amongst its stakeholders and has found more resources need to be expended toward project based learning as well as motivational speakers for both staff and students. This year the district tried a motivational speaker for the juniors taking state exams and its impact was so positive that it would like to extend beyond the junior level. Teachers have also tried one project based learning unit in their classrooms and would like to increase the number of projects for next year.			
Original GOAL from prior year	The district will streamline communication efforts amongst stakeholders in order to foster awareness and parent involvement		Related State and/or Local Priorities: 1__ 2__ 3_X 4__ 5__ 6_X 7__ 8__

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	The district will expand on its facility goals to ensure older buildings and school materials are replaced on a rotational basis as well as sports facilities. The Science lab continues to be a work in progress and has not reached completion.
--	---

Complete a copy of this table for each of the LEA’s goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$2,554,843
<p>Collectively the district’s schools contain 70% free and reduced lunch enrollees and the district’s schools all operate as supplemental and concentration schools. As a result, the majority of LCAP goals benefit all students throughout the district. It was determined through several public LCAP meetings that specialized services and interventions were a main priority in ensuring student success. The district is developing and offers a variety of programs such as mental health support, literacy coaches, family resource center, drug and alcohol counseling, parent connection center and a college and career readiness center. These services are provided districtwide to all students who are in need of these specific interventions. The district also offers other means of support through freshmen orientation, student study skills, recruitment and retention of highly qualified teachers, district wide literacy program, and support classes focused on math and English. The district is currently hiring an interventionist to assist in the areas of attendance, student discipline, and academic achievement for struggling students.</p> <p>While the district is cognizant that Supplemental and Concentration funds are generated in order to serve focus students, some services may, should it become necessary, be utilized for students outside the focus subgroups. Supplemental services based on the district’s unduplicated percentage are available on a districtwide basis based on the large percent of unduplicated pupils. While the majority of the district’s students fall under the Supplemental and Concentration monies, there may be students in need of support that the district cannot ignore. By providing services identified without limitations, BUHSD will best serve all students, while focusing on specific unduplicated pupils.</p>	

Board Approved:

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

15.43	%
-------	---

Brawley Union High School will expend at least 15.43% of funds to meet the minimum proportionality percentage focused on increasing student achievement for English learners, low income students, and foster youth. BUHSD is committed to providing all student populations equal access to a rigorous and relevant curriculum that will prepare them to become college and career ready post high school. The district offers specialized services to low income, English learners, and foster youth to ensure that they are given every opportunity to achieve success equal to or above their peers. The district utilizes concentration funds to provide services above and beyond what the general population receives.

English learners receive focused ELD instruction based on their English proficiency level. These students receive additional assistance in their classrooms from instructional assistants. The district developed a language lab equipped with language software specifically to increase EL proficiency levels. Low income, foster youth and English learners are provided extended day services through after school tutoring, credit recovery and Saturday skill building classes. Socio-economically disadvantaged struggling students receive assistance in mathematics with the addition of full time math tutors.

Hands on real world experiences for English learners are a district priority. The English learner population is afforded the opportunity to participate in numerous field trips throughout the year. Such field trips include UC and CSU campus tours, museum visits, theater productions, guest speakers, visits to appellate and supreme courts in session, as well as trips to the movies when relevant to the curriculum. The district holds English learner summer school opportunities designed to increase language proficiency as well as building 21<sup>st</sup> skills. The district purchased specialized curriculum and software designed to assist English learners in increasing their English language proficiency. The district plans to expand its real world experiences to socio-economically disadvantaged

#### LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

- (a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

*Board Approved:*

- (3) Divide (1) by (2).
- (b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.
- (c) “High school dropout rate” shall be calculated as follows:
- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
  - (2) The total number of cohort members.
  - (3) Divide (1) by (2).
- (d) “High school graduation rate” shall be calculated as follows:
- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
  - (2) The total number of cohort members.
  - (3) Divide (1) by (2).
- (e) “Suspension rate” shall be calculated as follows:
- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
  - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
  - (3) Divide (1) by (2).
- (f) “Expulsion rate” shall be calculated as follows:
- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
  - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
  - (3) Divide (1) by (2).
