Dear Parent or Guardian:

The local control funding formula (LCFF) was enacted in 2013–14, and it replaced the previous kindergarten through grade 12 (K–12) finance system which had been in existence for roughly 40 years. For school districts and charter schools, the LCFF establishes base, supplemental, and concentration grants in place of the myriad of previously existing K–12 funding streams, including revenue limits, general purpose block grants, and most of the 50-plus state categorical programs that existed at the time. For county offices of education (COEs), the LCFF establishes separate funding streams for oversight activities and instructional programs.

As part of the LCFF, school districts, COEs, and charter schools are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP) using a template adopted by the California State Board of Education (SBE). In addition, the SBE is required to adopt evaluation rubrics to assist LEAs and oversight entities in evaluating strengths, weaknesses, areas that require improvement, technical assistance needs, and where interventions are warranted on or before October 1, 2016. Subsequent revisions to the template or evaluation rubrics are required to be approved by the SBE by January 31 before the fiscal year in which the template or rubric would be used. The LCAP is required to identify goals and measure progress for student subgroups across multiple performance indicators.

One requirement of the LCAP is parent and public input in developing, revising, and updating the LCAP. Stakeholders are able to submit questions in writing to the superintendent who in turn will respond in writing. Brawley Union High School District (BUHSD) is committed to ensure all parents and community members have the opportunity to provide input. If you have any questions or concerns, please contact me at (760) 312-6084 x. 4067.

Sincerely,
